## **From Landvetter airport och Gothenburg**

From Landvetter airport follow the signs for Göteborg (road 40). As you are approaching the city Göteborg follow the signs to Oslo (E6). Approximately 45 km north of Göteborg follow the signs Stenungsund N (exit no 91, also with an industrial area sign), and turn right. Just follow the road (road 170) straight ahead.

### ***Borealis loading and Eastern gate***

After about 2 km follow the sign "Borealis utlastning" and turn right in the traffic circle. Follow the road until you see a building with a sign "Borealis Loading".

### ***Borealis polyethylene plant, Western gate and Administration building***

Follow rad 170, passing the loading area on the right hand side. Turn right by the sign Borealis Polyeten, Administration. Turn next right. On the left hand side you find the Borealis Innovation Centre and after 100 metres the Administration building, Western gate and parking.

### ***Borealis Cracker plant***

Follow road 170, pass the loading area and the polyethylene plant on the right hand side. Cross the railway and turn right following the signs "Svanesund". The Cracker plant is the first plant on the left hand side. Turn left by the sign "Borealis Kracker".

## **From Uddevalla**

Follow the signs for Göteborg (E6). Approximately 40 km south of Uddevalla follow the signs Stenungsund N (exit no 91, also with an industrial area sign) and turn right. Follow the road (road 170) straight ahead.

### ***Borealis loading and Eastern gate***

After about 2 km follow the sign "Borealis utlastning" and turn right in the traffic circle. Follow the road until you see a building with a sign "Borealis Loading".

### ***Borealis polyethylene plant, Western gate and Administration building***

Follow rad 170, passing the loading area on the right hand side. Turn right by the sign Borealis Polyeten, Administration. Turn next right. On the left hand side you find the Borealis Innovation Centre and after 100 metres the Administration building, Western gate and parking.

### ***Borealis Cracker plant***

Follow road 170, pass the loading area and the polyethylene plant on the right hand side. Cross the railway and turn right following the signs "Svanesund". The Cracker plant is the first plant on the left hand side. Turn left by the sign "Borealis Kracker".
